*****Please Note ****

Clients can bring in their own alcoholic beverages. The caterer or bar caterer's bartender are required to provide the bar set up and to serve the beverages. If you choose to go this route, we recommend that you reach out to BevMo. They will break down the quantity of alcohol that is needed based on your guest count and length of event. They will also deliver your product to the venue. To place an order, reach out to Erin Burke (619.307.0396) / erin.burke2@gopuff.com.
